## 2014 Science Symposium

**Date :**

October 28-29, 2014

**Location:**

Renaissance Newark Airport Hotel, Elizabeth, New Jersey

The Personal Care Products Council Science Symposium attracts more than 300 industry leaders and decision-makers and offers personal care products industry staff one-stop shopping for information about Microbiology, Quality Assurance, Environmental, and Safety. With a convenient location and an information-packed program, the 2014 Science Symposium is a great opportunity to learn from the experts and meet colleagues and friends in the industry. The Symposium will also feature the Cosmetic Science EXPO enabling attendees to meet with cutting edge suppliers and technology companies to help implement the new techniques presented during the workshops.
